- i. The price bid will be evaluated in accordance to the Tamil Nadu Transparency in Tenders Act 1998 read with the Tamil Nadu Transparency in Tenders Rules 2000. The bidder who has quoted the highest Rate for purchase of TANMAG products mentioned in the tender document (clause.33) Exclusive of Royalty /Tax / GST) will be as H1.
- ii. On two or more Bidders quoting the same amount (the "Tie Bids"), TANMAG shall ask the tied Bidders to provide their best and final offer of the Financial Proposal through online and the Bidder offering the Highest Final Offer will be adjudged as the Selected Bidder.
- iii. In case, a tie still persists after the procedure contained in clause 20(b), the selected bidder will be identified by draw of lots, which will be conducted, with prior notice, in the presence of the tied tenderers or their representatives who choose to be present.

21. LIVE AUCTION START AND END:

- i. The bidders who are techno-commercially qualified and approved by TANMAG will be eligible for participation in the Forward Auction.

- ii. Bidder's eligibility in the Forward Auction will also depend on the "Bidders Elimination Process" configured by TANMAG in that tender.
- iii. The elimination criteria for auction is one which normally restricts one or more bidders from participation in the auction who have quoted in the tender which is exorbitantly very low in case of Forward Auction. Hence, bidders are advised to quote reasonably in the price bid to avoid elimination from participation in the auction.
- iv. Bidders are advised to refer to Tender documents or may contact concerned tender inviting authority for auction elimination criteria against the tender.
- v. After opening of the price (financial) bids, System will display H1 bidders price based on either overall price basis or item wise/lot price basis automatically.
- vi. The participation in the auction by an eligible bidder is voluntary. It is solely at the discretion of the bidder to participate in the auction. If a qualified bidder is not interested to participate in the auction, then price / financial bid submitted by bidder in the tender shall be treated as final price/financial bid of that bidder.
- vii. There will be no participation fees for the Auction. The bidders get an opportunity to change their prices by participating in the auction. In the case of Forward Auction, the highest price among the value quoted by the bidder in the auction and Financial Bid submitted will be taken as the final price quote of the bidder against the tender.
- viii. TANMAG reserves the right to consider the system provided H1 price as auction starting price for live action or TANMAG can be changed the starting price for the live action if required and accordingly, will create Forward Auction as the case may be and the auction will be published by TANMAG.

- ix. The Techno-commercially qualified bidders (who are not eliminated by the system from participation in the Auction as per elimination criteria set by TANMAG against that tender cum auction) will receive Auction schedule intimation through e-mail. However, bidders are always advised to visit web site / portal regularly to keep them updated and to timely act upon with respect to auction / other requirements of that tender.
- x. The server time (which is displayed on the bidders' dash-board after login) will be considered as the standard time for referencing the deadlines for participation in live auction and other process during auction in the portal. The bidders should follow server time (Server System Clock) for all activities in the portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30.
- xi. As per the configuration defined against the tender cum auction by TANMAG, the system will not disclose the name of the H1bidder, number of bids and names of the participating bidders on the portal to anybody prior to the completion of Forward auction process.
- xii. Participation in Forward Auction will be take place, the Bidders shall login using their login ID & Password and then using DSC.
- xiii. The Techno-Commercially qualified bidder can view all Auction details by clicking 'My Auctions' button. The interested bidder can participate in the Live Auction during the schedule and time by click on Live Auctions Button.
- xiv. There is List of item wise products offered by TANMAG and offered quantity of qualified Lots in which Bidder can participate against selected Auction.
- xv. Click on Hammer Icon to participate in the respective product. On clicking Hammer Icon, system will show Start price, Incremental price and Current price against particular product. Current Price will appear as Blank (-) in case no bidder has offered price.

- xvi. In the Forward Auction (Live Auction), the bidder can enter the Price in 'My Auction Price in Rs' in multiples of incremental value and below Max Seal % value, then sign it digitally by clicking on Sign Icon and Click on submit button.
- xvii. System will then display Current Auction Price, Auction submitted Date/Time (last successfully quoted date & time), Auction scheduled date & time, Auction extended time up to (if any) etc.
- xviii. On clicking "Refresh" Link in the screen, then the screen will be reloaded and will show your Latest Value / Price Quoted and system will also show Least Amount/ Rate (highest amount/ rate) which any Bidder would have quoted.
- xix. The live auction will be extended automatically by "Auto Extensions in minutes" if a valid and digitally signed bid has been successfully recorded in the system during the "Auction Elapse Time in minutes" before auction closing. The server time will be considered final and all bids that are received and recorded by the server before the auction close time (as per the server time) only shall be treated as valid bids. Bidder should follow the auction end/close time as displayed on the screen.
- xx. During the auction the bidders are also advised to click "Refresh" link for refreshing their webpage to get the latest information about the status of the auction. The Live Auction window will remain same and also time remaining will be ticking, even in the event of disconnection of bidder computer system, Network/Internet. The bids submitted by other bidders during the time of disconnect of bidder computer system will not be displayed on your screen. The other bidder might have become H1 for the item during this time. To overcome this situation the bidders are also advised to click "Refresh" link for refreshing their webpage frequently.

- xxi. The last (latest) successful bid price quoted by bidder will be considered as valid price at any point of time during Auction.
- xxii. The chronologically last (latest) bid submitted by the bidder till the end of the auction will be considered as the valid price bid offered by the bidder and acceptance of the same by TANMAG will form a binding contract between TANMAG and the bidder for entering into a contract.
- xxiii. For those bidders, who are eliminated from participating in the auction or bidders who are eligible for auction but not provided any price during auction, the rate quoted in the price/financial bid of the tender will be considered as final price.
- xxiv. Internet connectivity and other paraphernalia requirements shall have to be ensured by bidder themselves. In order to ward-off such contingent situation like internet connectivity failure, power failure etc., bidders are requested to make all the necessary arrangements / alternatives whatever required so that they are able to circumvent such situation and still be able to participate in the live auction successfully. However, the bidders are requested not to wait till the last moment to quote their bids to avoid any such complex situations.
- xxv. Non submission of bid/quote during live auction within due date / time following due process prevalent at that time in the portal due to failure of computer system, power, network, internet connectivity or delay in performance or otherwise at Bidder's end or any other reasons for which bidder shall be held solely responsible. Neither National Informatics Centre nor concerned Tender Inviting Authority will be held responsible for the same in any manner.
- xxvi. The Tender Inviting Authority reserves the right to postpone, suspend/pause, resume and extend the Auction, if required.
- xxvii. Bidder shall not divulge their bids to any other party during auction. If a Bidder or any of its representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by

communicating with other bidders, strict action including black listing shall be taken against such bidders as per procurement guidelines/policies of TANMAG.

- xxviii. After the conclusion of the online forward auction (Live Auction), all bidders who have participated in Live Auction will see the overall Comparative chart ie H1 price of the Auction.
- xxix. Based on the H1 price of each bidder as well as the price quoted in the tender by the non-participating bidder, comparative chart will be generated by the system and accordingly, further financial evaluation processing will be done by TANMAG.
- xxx. TANMAG reserves the right to extend, reschedule or cancel the Auction process at any time, before ordering, without assigning any reason, with intimation to bidders.
- xxxi. Bidding will be conducted only in Indian Rupees as indicated in the tender.
- xxxii. The Price shall be valid for a period of 10 days from the date of Forward auction (Live Auction) as specified in the tender document.

22. AWARD OF CONTRACT:

- i. Upon completion of all activities of “e-Tender Cum Auction,” TANMAG will issue award of contract to the successful bidder.
- ii. The bidders who are accepted as H1 for each product of TANMAG such as Dunite, Raw Magnesite, Dead Burnt Magnesite (DBM), Lightly Calcined Magnesite (LCM), Raw Magnesite Dust (RMD), Smoke Chamber Dust (SCD) and Belt picking plant Residual (BPPR) will be awarded for purchasing for the offered items.
- iii. TANMAG reserves the right to accept or reject any tender on the basis of past performance of the party in TANMAG.

- iv. Award of sales will be made at sole and absolute discretion of the Tamil Nadu Magnesite Limited which shall be final. No correspondence will be entertained in this regard with the unsuccessful tenderers.
- v. TANMAG reserves the right to accept the tender cum auction in whole or in part, with such modifications or without any modifications and the tenderers shall be bound by the same. TANMAG also reserves the right to apportion the available material among various parties and for exports.
- vi. The successful bidder must lift the offered quantity of TANMAG products quoted in their quotation. If failed to lift the offered quantity, the EMD amount remitted by the bidder will be forfeited besides cancellation of award of tender. In addition, the bidder will also be black listed in TANMAG.
- vii. The offered quantity of products lifted by the successful bidder, the balance available tendered quantity of products will be offered to other bidders to match with H1 rate (awarded rate) who has participated in the auction.
- viii. If the successful bidder has quoted for quantity less than the quantity offered by TANMAG, the balance quantity will be offered to other bidders in descending order of bids to match H₁ bid.

23. PAYMENT:

a. Foreign Buyer:

The successful foreign bidder shall remit the payment in INR which is equivalent to the USD offered in the BoQ (excluding FOB Charges) for the materials quoted as advance payment for lifting the material.

b. Inland Buyer:
