- xii. The un-qualified bidders will be informed through <https://tntenders.gov.in> portal and their EMD will be refunded automatically from pooling Account.

18. CONFIDENTIALITY:

- i. Information relating to the examination, clarification, evaluation, and recommendation for the short-listed / pre-qualified bidders shall not be disclosed to any person who is not officially concerned with the process or not a retained professional advisor advising TANMAG in relation to or matters arising out of or concerning the Bidding Process. TANMAG will treat all information, submitted as part of bid, in confidence and will require all those who have access to such material to treat the same in confidence. TANMAG may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or is to enforce or assert any right or privilege of the statutory entity and/ or TANMAG or as may be required by law or in connection with any legal process.
- ii. All documents and other information supplied by TANMAG or submitted by bidders to TANMAG shall remain or become the property of TANMAG. Bidders are to treat all information as strictly confidential and shall not

use it for any purpose other than for preparation and submission of their bid.

- iii. TANMAG will not return any bid, or any information provided along therewith.

19. EVALUATION OF THE PRICE:

- i. The price bid will be evaluated in accordance to the Tamil Nadu Transparency in Tenders Act 1998 read with the Tamil Nadu Transparency in Tenders Rules 2000. The bidder who has quoted the highest Rate for purchase of Lightly Calcined Magnesite (LCM) powder mentioned in BOQ (Annexure-IX) exclusive GST will be as H₁ and it may consider as starting rate for Auction.
- ii. On two or more Bidders quoting the same H₁ rate for Lightly Calcined Magnesite (LCM) powder, the H₁ rate may be consider as starting price for the Lightly Calcined Magnesite (LCM) powder for Auction. The highest rate offered by the bidder in auction is final rate for the item.

20. LIVE AUCTION START AND END:

- i. The bidders who are techno-commercially qualified and approved by TANMAG will be eligible for participation in the Forward Auction.
- ii. Bidder's eligibility in the Forward Auction will also depends on the "Bidders Elimination Process" configured in tn.tender (Helpdesk) portal.
- iii. The elimination criteria for auction is one which normally restricts one or more bidders from participation in the auction who have quoted in the tender which is exorbitantly very low in case of Forward Auction. Hence, bidders are advised to quote reasonably in the price bid to avoid elimination from participation in the auction.
- iv. Bidders are advised to refer to tn.tender (Helpdesk) portal or may contact concerned tender inviting authority for auction elimination criteria against the tender.

- v. After opening of the price (financial) bids, System will displays H1 bidders price based on either overall price basis or item wise/lot price basis automatically.
- vi. The participation in the auction by an eligible bidder is voluntary. It is solely at the discretion of the bidder to participate in the auction. If a qualified bidder is not interested to participate in the auction, then price / financial bid submitted by bidder in the tender shall be treated as final price/financial bid of that bidder.
- vii. There will be no participation fees for the Auction. The bidders get an opportunity to change their prices by participating in the auction. In the case of Forward Auction, the highest price among the value quoted by the bidder in the auction and Financial Bid submitted will be taken as the final price quote of the bidder against the tender.
- viii. TANMAG reserves the right to consider the system provided H1 price as auction starting price for live action or TANMAG can be changed the starting price for the live auction if required and accordingly, will create Forward Auction as the case may be and the auction will be published by TANMAG.
- ix. The Techno-commercially qualified bidders (who are not eliminated by the system from participation in the Auction as per elimination criteria set by TANMAG against that tender cum auction) will receive Auction schedule intimation through e-mail. However, bidders are always advised to visit web site / portal regularly to keep them updated and to timely act upon with respect to auction / other requirements of that tender.
- x. The server time (which is displayed on the bidders' dash-board after login) will be considered as the standard time for referencing the deadlines for participation in live auction and other process during auction in the portal. The bidders should follow server time (Server System Clock) for all activities in the portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30.

- xi. As per the configuration defined against the tender cum auction by TANMAG, the system will not disclose the name of the H1bidder, number of bids and names of the participating bidders on the portal to anybody prior to the completion of Forward auction process.
- xii. For Participation in Forward Auction, the Bidders shall login using their login ID & Password and then using DSC.
- xiii. The Techno-Commercially qualified bidder can view all Auction details by clicking 'My Auctions' button. The interested bidder can participate in the Live Auction during the schedule and time by click on Live Auctions Button.
- xiv. There is List of item wise products offered by TANMAG and offered quantity of qualified Lots in which Bidder can participate against selected Auction.
- xv. Click on Hammer Icon to participate in the respective product. On clicking Hammer Icon, system will show Start price, Incremental price and Current price against particular product. Current Price will appear as Blank (-) in case no bidder has offered price.
- xvi. In the Forward Auction (Live Auction), the bidder can enter the Price in 'My Auction Price in Rs' in multiples of incremental value and below Max Seal % value, then sign it digitally by clicking on Sign Icon and Click on submit button.
- xvii. System will then display Current Auction Price, Auction submitted Date/Time (last successfully quoted date & time), Auction scheduled date & time, Auction extended time up to (if any) etc.
- xviii. On clicking "Refresh" Link in the screen, then the screen will be reloaded and will show your Latest Value / Price Quoted and system will also show highest amount/ rate which any Bidder would have quoted.
- xix. The live auction will be extended automatically by "Auto Extensions in minutes" if a valid and digitally signed bid has been successfully

recorded in the system during the “Auction Elapse Time in minutes” before auction closing. The server time will be considered final and all bids that are received and recorded by the server before the auction close time (as per the server time) only shall be treated as valid bids. Bidder should follow the auction end/close time as displayed on the screen.

- xx. During the auction the bidders are also advised to click “Refresh” link for refreshing their webpage to get the latest information about the status of the auction. The Live Auction window will remain same and also time remaining will be ticking, even in the event of disconnection of bidder computer system, Network/Internet. The bids submitted by other bidders during the time of disconnect of bidder computer system will not be displayed on your screen. The other bidder might have become H1 for the item during this time. To overcome this situation the bidders are also advised to click “Refresh” link for refreshing their webpage frequently.
- xxi. The last (latest) successful bid price quoted by bidder will be considered as valid price at any point of time during Auction.
- xxii. The chronologically last (latest) bid submitted by the bidder till the end of the auction will be considered as the valid price bid offered by the bidder and acceptance of the same by TANMAG will form a binding contract between TANMAG and the bidder for entering into a contract.
- xxiii. For those bidders, who are eliminated from participating in the auction or bidders who are eligible for auction but not provided any price during auction, the rate quoted in the price/financial bid of the tender will be considered as final price.
- xxiv. Internet connectivity and other paraphernalia requirements shall have to be ensured by bidder themselves. In order to ward-off such contingent situation like internet connectivity failure, power failure etc., bidders are requested to make all the necessary arrangements / alternatives whatever required so that they are able to circumvent such situation and

still be able to participate in the live auction successfully. However, the bidders are requested not to wait till the last moment to quote their bids to avoid any such complex situations.

- xxv. Non submission of bid/quote during live auction within due date / time following due process prevalent at that time in the portal due to failure of computer system, power, network, internet connectivity or delay in performance or otherwise at Bidder's end or any other reasons for which bidder shall be held solely responsible. Neither National Informatics Centre nor concerned Tender Inviting Authority will be held responsible for the same in any manner.
- xxvi. The Tender Inviting Authority reserves the right to postpone, suspend/pause, resume and extend the Auction, if required.
- xxvii. Bidder shall not divulge their bids to any other party during auction.
